POZDRAVNO PISMO/WELCOME LETTER

Poštovane kolegice i kolege,

Pozivamo vas na XXI Beogradske dermatološke dane, koji će se održati od 14. do 16. novembra 2019. godine u Sava Centru.

Od kada su 1994. godine osnovani sa ciljem da svake godine okupe dermatovenerologe Srbije, Beogradski dermatološki dani su vremenom prerasli u simpozijum sa međunarodnim učešćem na kome iskustva razmenjuju kolege svih generacija iz Srbije, regiona i Evrope.

Uvereni smo da ćemo i ove godine iskoristiti priliku za trodnevno druženje i razmenu iskustava. I ove godine pozivu za predavanje rado su se odazvale brojne kolege iz regiona, Evrope i SAD, ali će uspeh simpozijuma najviše zavisiti od našeg učešća, saopštenja i prikaza slučajeva.

Radujemo se novom susretu. Dobrodošli u Beograd!

Dear colleagues and friends,

We cordially invite you to participate in the 21st Belgrade Dermatology Days organised by Serbian Association of Dermatovenereologists, which will take place in Belgrade's Sava Center from November 14th to 16th, 2019.

During the meeting we will have the opportunity to share our experience on extensive choice of main topics with the distinguished colleagues from Serbia and abroad. More than 20 eminent lecturers from Serbia, Europe and USA have confirmed their participation. The Congress will also be a place where we will have the opportunity to see old friends and to make new friendships, acquire new knowledge and foster dialogue and cooperation within the dermatology world. We hope that after attending the Belgrade Dermatology Days we will extend our knowledge and professional networks.

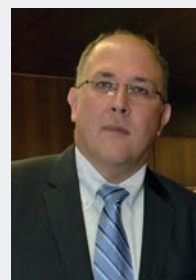

Finally, we shouldn't forget that participants will have a chance to discover Belgrade, the city that is famous for its great hospitality. Most importantly, the success of the meeting is depends on the number of submitted research papers. So, we wholeheartedly invite you to submit your work!

We look forward to seeing you at the Congress & welcoming you in Belgrade, Serbia!
